

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

3. The Governor in Council may grant to any person Conditions of allowance.
who has served in an established capacity in the Civil
Service for ten years or upwards, and who has attained the

	age of sixty years, or is incapacitated by bodily infirmity from properly performing his duties, a superannuation allowance calculated on his average yearly salary during the then last three years, and not exceeding the following rates, that is to say :—
Rates of allowance.	(a.) If he has served for ten years, but less than eleven years, an annual allowance of ten fiftieths of such average salary, and if for eleven years and under twelve years, an annual allowance of eleven fiftieths thereof, and in like manner a further addition of one fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five fiftieths may be granted; but no addition shall be made for any service beyond thirty-five years;
Maximum rate for 35 years.	(b.) If the service has not been continuous, the period or periods during which such service has been interrupted shall not be counted, and the Order in Council made in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 2.
Breaks in service not to be counted.	
Governor in Council may add to service of persons appointed on account of special qualifications.	4. The Governor in Council may, in the case of any person who entered the Civil Service after the age of thirty years, as being possessed of some peculiar professional or other qualifications or attainments required for the office to which he was appointed, and not ordinarily to be acquired in the public service, add to the actual number of years' service of such person, such further number of years not exceeding ten, as is considered equitable, for reasons stated in the Order in Council made in the case; and such additional number of years shall be taken as part of the term of service on which the superannuation allowance of such person shall be computed; and the Order in Council in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 3.
Preliminary inquiry by Treasury Board.	5. The superannuation of every civil servant shall be preceded by an inquiry by the Treasury Board— (a.) Whether the person it is proposed to superannuate is eligible within the meaning of this Act; and— (b.) Whether his superannuation will result in benefit to the service, and is therefore in the public interest; or— (c.) Whether it has become necessary in consequence of his mental or physical infirmity:
Report of Board.	2. No civil servant shall be superannuated unless the Treasury Board reports that he is eligible within the meaning of this Act and that such superannuation will be in the public interest. 46 V., c. 8, s. 4.
Deductions from salaries.	6. A deduction towards making good the superannuation allowances hereinbefore mentioned, shall be made from the salary of every person in the Civil Service to whom this Act applies, at the rate of two per centum per annum on such

one-fifth of his average salary during the then last three years. 46 V., c. 8, s. 9.

Provision for abolition of office, reduction of staff, &c.

11. If any person to whom this Act applies is removed from office in consequence of the abolition of his office for the purpose of improving the organization of the department to which he belongs, or is removed, or retired from office to promote efficiency or economy in the Civil Service, the Governor in Council may grant him such gratuity or superannuation allowance as will fairly compensate him for his loss of office, not exceeding such as he would have been entitled to if he had retired in consequence of permanent infirmity of body or mind, after adding ten years to his actual term of service. 46 V., c. 8, s. 10.

Pensioners under sixty liable to serve if required, under penalty of loss of allowance.

12. Every person who receives a superannuation allowance, and is under the age of sixty years, and is not disabled by bodily or mental infirmity, may be called upon to fill, in any part of Canada, any public office or situation for which his previous services render him eligible, and which is not lower in rank or emolument than that from which he retired; and, if he refuses or neglects so to do, he shall forfeit his said allowance. 46 V., c. 8, s. 11.

Service before Confederation to be counted.

13. Service in an established capacity in any of the departments of the Executive Government or offices of the Legislature of any of the Provinces now included in the Dominion of Canada, before such Province became a portion thereof, by any person who has thereafter entered the Civil Service, shall be reckoned in computing his period of service for the purposes of this Act. 46 V., c. 8, s. 12.

Discretionary power of Governor in Council.

14. In any case of doubt the Governor in Council may, by general or special regulations, determine to what persons the provisions of this Act do or do not apply, and the conditions on which, and the manner in which, they shall apply in any case or class of cases. 46 V., c. 8, s. 13.

Payment of allowances.

15. The allowances and gratuities granted under this Act shall be payable out of the Consolidated Revenue Fund of Canada. 46 V., c. 8, s. 14.

REPORT OF SUPERANNUATIONS.

Annual return to be made to Parliament.

16. The Minister of Finance and Receiver General shall lay before Parliament, within fifteen days after the commencement of each session thereof, a statement of all superannuations and retiring allowances in the Civil Service within the year, giving the name and rank of each person

superannuated or retired, his salary, age and length of service, the allowance granted to him on retirement, the cause of his superannuation and whether the vacancy has been subsequently filled, and if so, whether by promotion or by a new appointment, and the salary of the new appointee. 46 V., c. 8, s. 15.

Rates of allowance.	(a.) If he has served for ten years, but less than eleven years, an annual allowance of ten fiftieths of such average salary, and if for eleven years and under twelve years, an annual allowance of eleven fiftieths thereof, and in like manner a further addition of one fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five fiftieths may be granted; but no addition shall be made for any service beyond thirty-five years;

SUPERANNUATION.

3. The Governor in Council may grant to any person who has served in an established capacity in the Civil Service for ten years or upwards, and who has attained the Conditions of allowance.

	age of sixty years, or is incapacitated by bodily infirmity from properly performing his duties, a superannuation allowance calculated on his average yearly salary during the then last three years, and not exceeding the following rates, that is to say :—
'Rates of allowance.	(a.) If he has served for ten years, but less than eleven years, an annual allowance of ten fiftieths of such average salary, and if for eleven years and under twelve years, an annual allowance of eleven fiftieths thereof, and in like manner a further addition of one fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five fiftieths may be granted; but no addition shall be made for any service beyond thirty-five years;
'Maximum rate for 35 years.	(b.) If the service has not been continuous, the period or periods during which such service has been interrupted shall not be counted, and the Order in Council made in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 2.
'Breaks in service not to be counted	
'Governor in Council may add to service of persons appointed on account of special qualifications.	4. The Governor in Council may, in the case of any person who entered the Civil Service after the age of thirty years, as being possessed of some peculiar professional or other qualifications or attainments required for the office to which he was appointed, and not ordinarily to be acquired in the public service, add to the actual number of years' service of such person, such further number of years not exceeding ten, as is considered equitable, for reasons stated in the Order in Council made in the case; and such additional number of years shall be taken as part of the term of service on which the superannuation allowance of such person shall be computed; and the Order in Council in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 3.
'Preliminary inquiry by Treasury Board.	5. The superannuation of every civil servant shall be preceded by an inquiry by the Treasury Board— (a.) Whether the person it is proposed to superannuate is eligible within the meaning of this Act; and— (b.) Whether his superannuation will result in benefit to the service, and is therefore in the public interest; or— (c.) Whether it has become necessary in consequence of his mental or physical infirmity:
'Report of Board.	2. No civil servant shall be superannuated unless the Treasury Board reports that he is eligible within the meaning of this Act and that such superannuation will be in the public interest. 46 V., c. 8, s. 4.
'Deductions from salaries.	6. A deduction towards making good the superannuation allowances hereinbefore mentioned, shall be made from the salary of every person in the Civil Service to whom this Act applies, at the rate of two per centum per annum on such

salary, if it is six hundred dollars or upwards, and of one and a-quarter per centum per annum thereon, if it is less than six hundred dollars, and the sum so deducted shall form part of the Consolidated Revenue Fund of Canada; but such deduction shall be made only during the first thirty-five years of service. 46 V., c. 8, s. 5. Proviso.

7. The full superannuation allowance shall only be granted to persons who have been subject to the said deduction during ten years or upwards,—the superannuation allowance of any person who has not paid it, or has paid it for a less period, being subject to a diminution of one per centum for every year less than ten during which he has not paid it; except that the superannuation allowance of any person hereafter retiring, shall not be subject to any such diminution by reason of his not having paid the abatement hereinbefore mentioned, during any year or years after his first thirty-five years of service. 46 V., c. 8, s. 6. Ten years' contribution requisite for full allowance.
Diminution for less period of contribution.
Exception.

8. Retirement shall be compulsory on every person to whom the superannuation allowance hereinbefore mentioned is offered, and such offer shall not be considered as implying any censure upon the person to whom it is made; nor shall any person be considered as having any absolute right to such allowance, but it shall be granted only in consideration of good and faithful service during the time upon which it is calculated: Compulsory retirement.
Allowance conditional on good service.

2. Nothing herein contained shall be understood as impairing or affecting the right of the Governor in Council to dismiss or remove any person from the Civil Service. 46 V., c. 8, s. 7. Right of dismissal not impaired.

9. If the Head of a department reports with respect to any person employed in his department, and about to be superannuated, from any cause other than that of ill-health or age, that the service of such person has not been satisfactory, the Governor in Council may, as to him seems fit, grant such person a superannuation allowance less than that to which he would have otherwise been entitled. 46 V., c. 8, s. 8. Diminution when Head of Department reports unsatisfactory service.

10. If any person to whom this Act applies, is constrained, from any infirmity of mind or body, to quit the Civil Service before the period at which a superannuation allowance might be granted him, the Governor in Council may allow him a gratuity not exceeding one month's pay for each year of his service; and if any such person is so constrained to quit the service before such period, by reason of severe bodily injury, received without his own fault, in the discharge of his public duty, the Governor in Council may allow him a gratuity not exceeding three month's pay for every two years' service, or a superannuation allowance not exceeding Gratuity when yearly allowance not earned.
Gratuity in case of bodily injury on duty.

one-fifth of his average salary during the then last three years. 46 V., c. 8, s. 9.

Provision for
abolition of
office, reduc-
tion of staff,
&c.

11. If any person to whom this Act applies is removed from office in consequence of the abolition of his office for the purpose of improving the organization of the department to which he belongs, or is removed, or retired from office to promote efficiency or economy in the Civil Service, the Governor in Council may grant him such gratuity or superannuation allowance as will fairly compensate him for his loss of office, not exceeding such as he would have been entitled to if he had retired in consequence of permanent infirmity of body or mind, after adding ten years to his actual term of service. 46 V., c. 8, s. 10.

Pensioners
under sixty
liable to serve
if required,
under penalty
of loss of
allowance.

12. Every person who receives a superannuation allowance, and is under the age of sixty years, and is not disabled by bodily or mental infirmity, may be called upon to fill, in any part of Canada, any public office or situation for which his previous services render him eligible, and which is not lower in rank or emolument than that from which he retired; and if he refuses or neglects so to do, he shall forfeit his said allowance. 46 V., c. 8, s. 11.

Service before
Confederation
to be
counted.

13. Service in an established capacity in any of the departments of the Executive Government or offices of the Legislature of any of the Provinces now included in the Dominion of Canada, before such Province became a portion thereof, by any person who has thereafter entered the Civil Service, shall be reckoned in computing his period of service for the purposes of this Act. 46 V., c. 8, s. 12.

Discretionary
power of
Governor in
Council.

14. In any case of doubt the Governor in Council may, by general or special regulations, determine to what persons the provisions of this Act do or do not apply, and the condition on which, and the manner in which, they shall apply in any case or class of cases. 46 V., c. 8, s. 13.

Payment of
allowances.

15. The allowances and gratuities granted under this Act shall be payable out of the Consolidated Revenue Fund of Canada. 46 V., c. 8, s. 14.

REPORT OF SUPERANNUATIONS.

Annual return
to be made to
Parliament.

16. The Minister of Finance and Receiver General shall lay before Parliament, within fifteen days after the commencement of each session thereof, a statement of all superannuations and retiring allowances in the Civil Service within the year, giving the name and rank of each person

superannuated or retired, his salary, age and length of service, the allowance granted to him on retirement, the cause of his superannuation and whether the vacancy has been subsequently filled, and if so, whether by promotion or by a new appointment, and the salary of the new appointee.

	age of sixty years, or is incapacitated by bodily infirmity from properly performing his duties, a superannuation allowance calculated on his average yearly salary during the then last three years, and not exceeding the following rates, that is to say :—
Rates of allowance.	(a.) If he has served for ten years, but less than eleven years, an annual allowance of ten fiftieths of such average salary, and if for eleven years and under twelve years, an annual allowance of eleven fiftieths thereof, and in like manner a further addition of one fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five fiftieths may be granted; but no addition shall be made for any service beyond thirty-five years;
Maximum rate for 35 years.	(b.) If the service has not been continuous, the period or periods during which such service has been interrupted shall not be counted, and the Order in Council made in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 2.
Breaks in service not to be counted.	
Governor in Council may add to service of persons appointed on account of special qualifications.	4. The Governor in Council may, in the case of any person who entered the Civil Service after the age of thirty years, as being possessed of some peculiar professional or other qualifications or attainments required for the office to which he was appointed, and not ordinarily to be acquired in the public service, add to the actual number of years' service of such person, such further number of years not exceeding ten, as is considered equitable, for reasons stated in the Order in Council made in the case; and such additional number of years shall be taken as part of the term of service on which the superannuation allowance of such person shall be computed; and the Order in Council in any such case shall be laid before Parliament at its then current or next ensuing session. 46 V., c. 8, s. 3.
Preliminary inquiry by Treasury Board.	5. The superannuation of every civil servant shall be preceded by an inquiry by the Treasury Board— (a.) Whether the person it is proposed to superannuate is eligible within the meaning of this Act; and— (b.) Whether his superannuation will result in benefit to the service, and is therefore in the public interest; or— (c.) Whether it has become necessary in consequence of his mental or physical infirmity:
Report of Board.	2. No civil servant shall be superannuated unless the Treasury Board reports that he is eligible within the meaning of this Act and that such superannuation will be in the public interest. 46 V., c. 8, s. 4.
Deductions from salaries.	6. A deduction towards making good the superannuation allowances hereinbefore mentioned, shall be made from the salary of every person in the Civil Service to whom this Act applies, at the rate of two per centum per annum on such

salary, if it is six hundred dollars or upwards, and of one and a-quarter per centum per annum thereon, if it is less than six hundred dollars, and the sum so deducted shall form part of the Consolidated Revenue Fund of Canada; but such deduction shall be made only during the first thirty-five years of service. 46 V., c. 8, s. 5. Proviso

7. The full superannuation allowance shall only be granted to persons who have been subject to the said deduction during ten years or upwards,—the superannuation allowance of any person who has not paid it, or has paid it for a less period, being subject to a diminution of one per centum for every year less than ten during which he has not paid it; except that the superannuation allowance of any person hereafter retiring, shall not be subject to any such diminution by reason of his not having paid the abatement hereinbefore mentioned, during any year or years after his first thirty-five years of service. 46 V., c. 8, s. 6. Ten years' contribution requisite for full allowance.
Diminution for less period of contribution.
Exception.

8. Retirement shall be compulsory on every person to whom the superannuation allowance hereinbefore mentioned is offered, and such offer shall not be considered as implying any censure upon the person to whom it is made; nor shall any person be considered as having any absolute right to such allowance, but it shall be granted only in consideration of good and faithful service during the time upon which it is calculated: Compulsory retirement.
Allowance conditional on good service.

2. Nothing herein contained shall be understood as impairing or affecting the right of the Governor in Council to dismiss or remove any person from the Civil Service. 46 V., c. 8, s. 7. Right of dismissal not impaired.

9. If the Head of a department reports with respect to any person employed in his department, and about to be superannuated, from any cause other than that of ill-health or age, that the service of such person has not been satisfactory, the Governor in Council may, as to him seems fit, grant such person a superannuation allowance less than that to which he would have otherwise been entitled. 46 V., c. 8, s. 8. Diminution when Head of Department reports unsatisfactory service.

10. If any person to whom this Act applies, is constrained, from any infirmity of mind or body, to quit the Civil Service before the period at which a superannuation allowance might be granted him, the Governor in Council may allow him a gratuity not exceeding one month's pay for each year of his service; and if any such person is so constrained to quit the service before such period, by reason of severe bodily injury, received without his own fault, in the discharge of his public duty, the Governor in Council may allow him a gratuity not exceeding three month's pay for every two years' service, or a superannuation allowance not exceeding Gratuity when yearly allowance not earned.
Gratuity in case of bodily injury on duty.

one-fifth of his average salary during the then last three years. 46 V., c. 8, s. 9.

Provision for abolition of office, reduction of staff, &c.

11. If any person to whom this Act applies is removed from office in consequence of the abolition of his office for the purpose of improving the organization of the department to which he belongs, or is removed, or retired from office to promote efficiency or economy in the Civil Service, the Governor in Council may grant him such gratuity or superannuation allowance as will fairly compensate him for his loss of office, not exceeding such as he would have been entitled to if he had retired in consequence of permanent infirmity of body or mind, after adding ten years to his actual term of service. 46 V., c. 8, s. 10.

Pensioners under sixty liable to serve if required, under penalty of loss of allowance.

12. Every person who receives a superannuation allowance, and is under the age of sixty years, and is not disabled by bodily or mental infirmity, may be called upon to fill, in any part of Canada, any public office or situation for which his previous services render him eligible, and which is not lower in rank or emolument than that from which he retired; and, if he refuses or neglects so to do, he shall forfeit his said allowance. 46 V., c. 8, s. 11.

Service before Confederation to be counted.

13. Service in an established capacity in any of the departments of the Executive Government or offices of the Legislature of any of the Provinces now included in the Dominion of Canada, before such Province became a portion thereof, by any person who has thereafter entered the Civil Service, shall be reckoned in computing his period of service for the purposes of this Act. 46 V., c. 8, s. 12.

Discretionary power of Governor in Council.

14. In any case of doubt the Governor in Council may, by general or special regulations, determine to what persons the provisions of this Act do or do not apply, and the conditions on which, and the manner in which, they shall apply in any case or class of cases. 46 V., c. 8, s. 13.

Payment of allowances.

15. The allowances and gratuities granted under this Act shall be payable out of the Consolidated Revenue Fund of Canada. 46 V., c. 8, s. 14.

REPORT OF SUPERANNUATIONS.

Annual return to be made to Parliament.

16. The Minister of Finance and Receiver General shall lay before Parliament, within fifteen days after the commencement of each session thereof, a statement of all superannuations and retiring allowances in the Civil Service within the year, giving the name and rank of each person

superannuated or retired, his salary, age and length of service, the allowance granted to him on retirement, the cause of his superannuation and whether the vacancy has been subsequently filled, and if so, whether by promotion or by a new appointment, and the salary of the new appointee.
